COVID-19 Dashboards

Dear customer,

The following dashboards have been prepared in order to inform you about our joint risk mitigation efforts and emergency response plans to the global outbreak of COVID-19. Please feel free to reach out to your respective contact person at any time, if you require further information. The following pages give a brief overview about the individual measures in each of our companies. An explanation of the traffic lights is given below:

Green light: Business practices have been sufficiently enacted to avoid significant issues and disruptions.

Yellow light: We are monitoring a possible issue.

Red light: An issue has been identified. We are working on it and will give updates on the specific case.
